

Discover Innovative Apps

Your EdTech marketplace is here

Tired of EdTech guesswork?

The challenge

Wasting time researching, worrying about data security, and tackling complex integration makes adopting EdTech hardwork. Wonde Discover provides information about apps already integrated, secure data connections, and seamless ongoing control. From EdTech friction, to educational flow. Wonde Discover: One platform for verified apps, secure data connection, and trusted reviews.

Security and simplicity

Effortless EdTech onboarding

Key Features:

- 🌸 **Secure by design**
Connect apps without data risk.
- 🌸 **Transparent security information**
Make decisions based on clear security standards.
- 🌸 **Reduce admin burden**
No more CSVs! Save hours on manual data entry/export.

Empower healthier choices with OurFutures
